

TWO HEARTS BEAT IN GALENA
©Tim Harrison and Second Avenue Songs 1982

Two hearts beat in Galena
Two hearts burn like the sun
In the hills of Galena
Two hearts beat as one, they beat as one

In a world full of struggle
In a world full of pain
In a world with no glory
I can look to love again

When you think you've got nobody
No love can you find
It may help you to remember
That it can all come in time

The stars in the heavens
Can bend to kiss the ground
The moon can shine like silver
Lost souls can be found

You can reach out in the darkness
You can reach out for a friend
You can reach out for a lover
Who will stay to the end.

'cause two hearts beat in Galena
Two hearts burn like the sun
In the hills of Galena
Two hearts beat as one,
Two hearts beat as one,
In the hills of Galena
Two hearts beat as one
