

So Long Dr. Seuss

©Tim Harrison and Second Avenue Songs 2004

So long Dr. Seuss
We loved what you had to say,
Although they tried to take your voice away,
It's still clear today Dr. Seuss

So long Dr. Seuss
We know important things were always said,
Though Tinsel Town would take them now you're dead,
They always missed the point Dr. Seuss

Trinkets and baubles never caught your eye,
And those who know you know that's no surprise,
You did your work without commercial eyes,
But with all of your heart, your soul and your mind

So long Dr. Seuss
Your wisdom stays although you had to go,
Change and forgiveness in your verses flow,
So we know you're OK Dr. Seuss

We know you're OK Dr. Seuss
With love in your heart Dr. Seuss
With care in your mind Dr. Seuss
