

You Take Me In Your Arms
©Tim Harrison and Second Avenue Songs

You Take me in your arms
And hold me
When I just can't make it though another night
You Take me in your arms
And tell me
That everything is gonna be alright

Verse:

Lord have mercy
I have tried to do my best
And for some that just was not good enough
They have put you to their test
But now I'm on your broad highway
From my knees I rise up
And I've learned to let my light shine
As I drank from the cup

Chorus

Bridge:

Well I heard a wise man sayin
You gotta always tell it like it is
And I heard the woman cryin
Grace will find you, just like this

Chorus:
